LOCAL HELP FOR YOU WHEN YOU NEED IT

We've developed two member plans for our Neighbors. Our goal is to be a reliable resource offering special services to enable our neighbors to live fuller lives at home.

Surv+ is the perfect resource for seniors and their families to help with all the small projects at home.

- Basic home projects generally fall on the Senior's children which can be very stressful as they're trying to take care of their own children and may not live nearby.
- Seniors can feel lonely and small tasks are causing them to risk hurting themselves or potentially force them into assisted living.
